

**AUTHORIZED FOR THE USE OF EDUCATIONAL AND DISCLOSURE PURPOSES
OF IMAGES AND PHOTO SHOOT**

Dear Parent/Guardian

BDC routinely produces brochures and publications in order to share the work we are dedicated to, both inside and outside our school. In addition, BDC School, creates a range of online promotional material shared through the school website www.bdcschool.eu (and other sites that we might use in the future) and on our "social networks" pages (this might include but is not limited to Facebook, Instagram, LinkedIn and Pinterest).

We may take photographs and record images of individuals within our school and on supervised educational and recreational activities outside school in the forms that we consider appropriate to our business and in full compliance with current legislation.

We are committed to ensuring that the use of photographs and videos takes place in a functional way with respect to the promotional activities and used in line with your expectations. We ask you to give consent to the free use of the image and the name of the student.

The school cannot in any way be held responsible for any use by third parties of the published images.

We thank in advance and we will be grateful if you would like to return a copy of this document dated and signed by you, as a sign of authorisation for the aforementioned use.

Best regards.
